

Guidelines for Abstracts

1. Please use only the official ADF abstract template (Word document). Only abstracts created in Microsoft Word (MS Word 97 or later) will be accepted. The abstract file must be saved with the extension “.doc” or “.docx”.
2. Please upload your abstract exclusively via the online submission form provided.
3. **Author and affiliation format:**
 - List all authors first, followed by superscript numbers indicating their institutional affiliations. Each number corresponds to a specific institution listed below the author list.
 - If an author has multiple affiliations, separate the numbers with commas (e.g. 1,2). Ensure that each institution is numbered consistently and appears only once in the affiliation list.
 - Provide the full official name of each institution, including organisation name and address.
